

### DIVINE MERCY SUNDAY - A

During Easter's fifty days of rejoicing we have time to savor the meaning of Jesus' death and resurrection. The gospel tells of the disciples' fear (they still did not understand) changing to great joy when suddenly Christ stands among them. He brings the forgiveness won by his wounds and gives the young Church, in the power of the Spirit, his mission: to make available his forgiveness and peace. On Easter the disciples were slow to believe; later, Thomas demands the concrete proof which faith does not require. But his scepticism gives way, when Christ appears, to the strongest expression of faith found in the gospels. His confession evokes our faith, who have not seen and yet believe. The first two readings show the effects of the risen Lord's presence: the community formed at Easter stands out for its common prayer and mutual love, while the individual believer looks forward in glorious joy to seeing the risen Lord. Trials cannot wipe out the joy of those who believe.

**Alleluia! Alleluia! Alleluia!**
