

### Ascension of the Lord - A

Within the fifty days of Easter, the feast of the Ascension emphasizes Jesus' return to the Father and its consequence: his charge to make disciples of the world. The letter to the Ephesians tells us that Jesus is head of the Church, his body on earth. We see him asserting his authority both in Acts and the gospel as he takes leave of his followers. Through preaching, sacramental ministry and instruction, the Church will continue Christ's work of making disciples. The misunderstanding and doubt which characterize his followers as he says farewell make it clear that this work is God's, not human doing. It is the Spirit of Christ who gives faith and strength to these human witnesses and makes it possible for them to continue Jesus' work in the world. One day the entire human family will recognize God to be God, and Christ will be worshipped as king and head of humankind. To hasten that day we join the psalmist in singing God's praise. *Alleluia! Alleluia! Alleluia!*
