

### THE BODY & BLOOD OF CHRIST – A

How easy it is to live as though material things can satisfy our longing for the full life!

In today's first reading Moses reminds the chosen people that they were ready to be sustained by God's word and fed by the manna and water in the desert only after every material support has failed. God's care for his people in the desert prepared for Jesus' remarkable offer, recounted in the gospel, of his flesh and blood – his entire person – to be the real food and drink which nourishes us spiritually. The possibility of being so closely united to him challenges our faith and tests our longing for the life of the spirit. Paul's letter teaches us that eating the Eucharistic bread and drinking the cup gives us a share in Jesus' self-offering on the cross and forms us into a community. Through participating in the eucharist we become Christ's body! Let us celebrate anew this wonderful sacrament, praying that all who receive it may be united ever more deeply with Christ and with each other.

His Power, Glory and Dominion.  
Hurrah, hurrah for Our Lord in His Ascension  
Opening wide Heaven's gate to those kept in detention  
The one for whom the holy patriarchs and prophets  
had long been pining  
Now taken by our Blessed Redeemer to a  
supernatural way of living.

Yes, Jesus is with us still bringing the graces of His mysteries  
For Nature itself is in afestive mood,  
the elements astir with history

Oh Jesus we bless You on your feastday  
who brings a presence to the church so real and palpable  
Who are enthroned above the heavens having dominion  
o'er the earth which is admirable.
