

**PENTECOST SUNDAY - A**

Within the fifty days of Easter, the feast of the Ascension emphasizes Jesus' return to the Father and its consequence: his charge to make disciples of the world. The letter to the Ephesians tells us that Jesus is head of the Church, his body on earth. We see him asserting his authority both in Acts and the gospel as he takes leave of his followers. Through preaching, sacramental ministry and instruction, the Church will continue Christ's work of making disciples. The misunderstanding and doubt which characterize his followers as he says farewell make it clear that this work is God's, not human doing. It is the Spirit of Christ who gives faith and strength to these human witnesses and makes it possible for them to continue Jesus' work in the world. One day the entire human family will recognize God to be God, and Christ will be worshipped as king and head of humankind. To hasten that day we join the psalmist in singing God's praise. *Alleluia! Alleluia! Alleluia!*

## Welcome! Friends of the Holy Land Christian Families!

Our friend **Issa** and the **Holy Land Christian Families** are to visit our parish again on the weekend of **June 14<sup>th</sup> and 15<sup>th</sup>** to display the Olive Woods from the Holy Land.

Due to religious wars and conflicts, many Christian families were driven out of their land and had to leave their homes because of job loss. These families have been displaced and scattered.

Hand Carving Olive Woods are Religious items that are hand made by these Christian families. This is their only source of income and our mission is to help these families by selling their work to help with food, shelter and a better education. This way they can continue the only life they have known.
