

31ST SUNDAY IN ORDINARY TIME – ALL SAINTS DAY - B

The feast of All Saints is an occasion to remember and honor the women and men, known and unknown, who lived courageous lives with an unwavering faith in Jesus Christ. One tends to regard the saints as a distinct group of individuals chosen by God: part of the ‘great multitude,’ a people set apart. So when we read a statement by Mother Teresa that “to be a saint, you have to seriously want to be one,” one is taken aback. It is an invitation, even encouragement, to reflect on what we have chosen – in our life, with our life. Many of these women and men struggled with their sinfulness, failures and life’s disappointments. In their relationship with God, they were prone to doubts, confusion, selfishness and even anger. In other words, they were very much like us. Yet, despite their limitations and imperfections, they never gave up on saying ‘yes’ to Christ. They continued to say ‘no’ to worldly values and concerns. The saints, it seems, would not serve two masters. They strove to be faithful to the kind of life the Beatitudes urge us to live – even to death. The saints’ lives reveal that each of us is being called to live our life as a child of God, caring for peace, reconciliation and the poor. What will our response be to God’s invitation?
