

CHRIST THE KING [34th Sun] - B

Jesus our king challenges our human notions of kingship and authority. Today's gospel shows him standing as a powerless prisoner before Pilate. He is to be judged by the representative of the world's greatest power; in fact, however, the Roman governor is about to judge himself. Pilate tries to escape responsibility by remaining neutral, but the presence of Jesus necessitates a choice. In him Pilate encounters truth – and refuses to listen. Although Christ rules over the realm of the spirit, his spiritual kingdom decisively affects this world and calls for decision. In the vision described by Daniel, a son of man (a member of the human race) receives from God the function of judge. The Christ judged unjustly by Pilate becomes the judge of humankind. Jesus, who rejected power as a way to gain followers and submitted to unjust power, now receives the glory of universal rule. But what a ruler! The book of Revelation focuses on our pierced king, who shared our humanity and cleansed us of sin by his death in order to make us kings and priests with him. Will we follow him?

**34th Sunday – CHRIST THE KING
Nov. 22, 2015**

Today we hail Christ as our King. He is the Victor over the power of death Who loves us and freed us from our sins by His own blood, and Who by Baptism has made us a royal nation of priests in the service of His Father and our God. He Who is King continues to choose men and women to serve as priests, sisters, brothers or deacons, so that the faithful may know Him, love Him and serve Him as well. If you feel God is calling you to a Church vocation, call **Fr. Chris** at 416-968-0997 or email at vocations@archtoronto.org or call **Fr. Victor** at 416-757-2806 or email at olfatima@rogers.com for further information.
